AURORA AUSTRALIS

Like the great southern sky that illuminates with shimmering colours dancing in the clouds, the new Aurora Suite and Australis Suite are designed to ignite your imagination. They are the first of their kind in Australia, a moving luxury stay like no other, inspired by the residential qualities of contemporary architectural movements. A rich and layered design is expressed through bespoke detailing, decorative timber accents, stone masonry, iron filigree, and coved ceilings that reference traditional cornices. Joining our iconic trains from April 2026, there is no finer way to see, taste and experience Australia than with the Aurora Australis Suites.

The Aurora Suite and Australis Suite are generously proportioned, both with a separate bedroom featuring a queen size bed. Think luxe leather banquettes and swivel chairs made for sinking into, with mood lighting creating an elegant ambience that references the romance inherent in train travel.

OFF TRAIN

Unique Experiences

The beauty of experiencing Australia by train is that you have a front-row seat from which to observe the changing colours of the landscape. While the views of the outside world from the comfort of your cabin are captivating, sometimes it's good to step off the train and stretch your legs as you explore the remote pocket of Australia you find yourself in.

In between tracing a path through the landscape, each leg of our rail journeys are marked with tailored Off Train Experiences and authentic encounters. Included in your journey, these experiences tell the unique story of the land, providing a sense of place, people, and culture.

EXPERIENCE

A highlight on The Ghan is gently cruising along Nitmiluk Gorge near Katherine, witnessing the awe-inspiring sandstone cliffs and visiting an Indigenous rock art site, where artwork persists in telling its story, even after thousands of years exposed to the elements. On The Ghan Expedition, absorb the history of quirky Coober Pedy, an underground town built around opal mining, and enjoy an evening under a blanket of stars at the Alice Springs Telegraph Station, where Akubra's and dusty red boots meet white tablecloths and fine dining.

While crossing the continent on the Indian Pacific, there are two signature dining experiences on offer, depending on your direction of travel. Those heading west in the warmer months will pause in Rawlinna, a small outpost that borders the not-so-little Rawlinna Station, home to up to 80,000 sheep spread across 2.5 million acres, for an outback evening with a long-table dinner under the endless Nullarbor skies. Those travelling east stop in the Barossa Valley for an exclusive dining experience at Seppeltsfield Estate, showcasing the flavours and wines of the region.

Travelling toward Adelaide on the Great Southern summer adventure, dine beachside beneath fairy lights at Coffs Harbour. If you're headed towards Brisbane, get in touch with Mother Nature on a guided walk at the beautiful Venus Baths in the Grampians.

No matter the rail journey, you'll leave with memories that last a lifetime and a deeper connection to country.

The Legendary Ghan

The Ghan, Adelaide to Darwin

Everything is included

3 Days 7 Meals

Departing Adelaide, travel through the Red Centre, experiencing Australia at its dramatic best on a 3-day journey on The Ghan. Watch the landscape change from verdent greens to arid plains, where the colours of the outback saturate the landscape. Stop in Marla, Alice Springs and Katherine to learn about the history, culture and significance of each remote outpost as you travel on this legendary train.

The Ghan, Flinders Ranges, SA

Sunrise Experience, Marla, SA

Day 1: Adelaide

Board The Ghan in Adelaide for an incredible showcase journey of inland Australia. As the train leaves the city heading north for the Flinders Ranges and beyond, the dramatic changes in landscape, from pastoral land to arid outback scenes, will ignite your imagination. Lunch is served on board – this is the first of many memorable, chef-prepared, gourmet meals, showcasing regional flair and seasonal flavours.

Spend the rest of the day settling into life on train and make new friends with your fellow travellers. As afternoon turns to evening, dinner service begins with another multi-course meal and selection of Australian wines, beers and non-alcoholic beverages. (L,D)

Simpsons Gap Discovery Walk, Alice Springs, NT

Day 2: Marla, Alice Springs

After your first night enjoying the fine dining and relaxed comfort of this iconic train, you'll wake to an unforgettable outback sunrise at Marla – a remote outpost 160 kilometres from the Northern Territory border that marks the start of the Oodnadatta Track. With red dirt beneath your feet and a bonfire warming the morning air, you'll have some time to appreciate this remote part of Australia.

Reboard the train for brunch as you make your way onwards to Alice Springs. Here, you'll have a selection of Off Train Experiences to choose from. There's an experience to suit everyone, from an off-road mountain bike adventure across ochre-coloured earth, to the Alice Explorer tour taking you to the town's major attractions, a cultural experience at Standley Chasm, meeting the wildlife at the Desert Park, or taking in the astounding beauty of Simpson's Gap. Alternatively, take it all in from the air, with an optional upgrade helicopter flight. You'll return to the train late afternoon where you'll have time to rest and refresh before dinner is served. (B,L,D)

Day 3: Katherine, Darwin

Your day dawns in the tropical north and when the landscape transforms into rocky gorges and fast-flowing canyon streams, prepare to experience one of the Top End's most impressive natural wonders on a cruise along Nitmiluk Gorge. Making this experience even more memorable is the commentary that explains the significance of Nitmiluk to the Indigenous Jawoyn people and the many stories that celebrate their spiritual connection to the gorge. There is also a helicopter flight upgrade available, for those wishing to see Nitmiluk from an aerial perspective. Alternatively, the Katherine Outback Experience lets you into the lives of those who call the outback home, with a fascinating day of discovery showing what it's like to live and work on a huge cattle station.

After the day's activities, you'll reboard the train and continue to Darwin, where your journey exploring Australia by train may be concluding but the memories made will linger for a lifetime. (B,L)

After lunch, it's time to explore the incredible wetlands of the Cooper Creek. Admire the

prolific birdlife and massive crocodiles sunning themselves on the banks as you discover lagoons that seem more from a story book than from real life. As the sun seeks the horizon and sets over the floodplain, enjoy a glass of wine and nibbles before returning to the lodge for our final night with Davidson's Arnhem Land Safaris. (B,L,D)

Day 6: Arnhem Land & Kakadu National Park

This morning we continue travelling through Arnhem Land. Your first stop is at the Injalak Art Gallery located in Oenpelli, which has over 200 active members including artists, weavers, and craftspeople from Gunbalanya and surrounds.

Cross Cahill's Crossing (keep an eye out for saltwater crocodiles!) and into the World Heritage Listed Kakadu National Park. Covering almost 20,000 square kilometres and renowned for its vast wandering wetlands, exotic wildlife, millions of migratory birds and an estimated 5,000 ancient rock art sites in the park, the Bininj/Munggy people have called Kakadu home for some 65,000 years, making it the oldest culture on earth. Here we visit Ubirr art site, home to some of the world's most outstanding rock art. Enjoy a 1-kilometre circular track walk and take in the multiple sites. Those feeling fit can make the steep 250-metre climb to the top of the rocky escarpment for magnificent views across the Magela floodplain.

After lunch we visit the cultural centre before checking into the Mercure Crocodile Hotel for our two-night stay. Tonight, we dine at the hotel. (B,L,D)

2 nights, Mercure Kakadu Crocodile Hotel*

*Due to availability, some stays may be at Coolinda Lodge

Day 7: Kakadu National Park

This morning, we take to the water for the Yellow Water (Ngurrungurrudjba) wetlands cruise. This area is home to an array of birdlife and some impressive saltwater crocodiles. Then we depart for Burrungkuy (Nourlangie) rock art site, with more amazing rock paintings dating back 20,000 years. There are several sites and galleries to see. You also have the opportunity to climb up to the Gunwarddeharde lookout for majestic views, before returning to to the Mercure Crocodile Hotel in time for dinner. (B,L,D)

Day 8: Kakadu National Park to Darwin

It's an early start today as we head to the airstrip, where you'll gain an aerial perspective on this incredible environment. Take to the skies on a 30-minute scenic flight over ancient escarpments, floodplains and winding rivers, exhibiting the results of 1.8 billion years of continuous erosion. Your flight includes live commentary from your pilot as you glide over these spectacular ancient lands. Setting our sights for Darwin, we will cross the South Alligator River with its expansive wetlands which, for many years, were used for buffalo hunting. We'll travel via Humpty Doo before arriving into Darwin.

Upon arrival into Darwin you will be transferred to your accommodation, where you can enjoy an evening at your leisure before your Ghan Expedition adventure begins the following day. (B,L)

1 night, Hilton Garden Inn Darwin

Day 9-12: The Ghan Expedition, Darwin to Adelaide

Your journey will begin with a coach transfer to the Darwin Rail Terminal. Here, you'll board The Ghan, embarking on an unforgettable 4-day, all-inclusive adventure between Darwin and Adelaide, stopping to immerse yourself in Outback Australia along the way. (B,L,D-B,L,D-B,L,D-B)

Day 3: Lacepede Islands

The Lacepede Islands are an important breeding habitat for Green Turtles and have been named as an important bird area. The breeding colony of Brown Boobies is possibly the largest in the world and up to 20,000 Roseate Terns have also been recorded here. Join your Expedition Team for a guided Zodiac tour. (B,L,D)

Day 4–5: Collier Bay, Horizontal Falls

The ancient landscapes of Collier Bay have been shaped by massive tidal movements, creating a photographer's paradise. With a tidal range exceeding 14 metres, this creates a unique phenomenon. Nestled in the centre of the bay is Montgomery Reef, the world's largest inshore reef system. As the tide falls, water cascades off the top of the reef, creating turbulent 'rivers' and mini waterfalls. Nestled at the southern end of Buccaneer Archipelago is Talbot Bay, home to the world's only Horizontal Falls. Also, hidden in the many caves and grottos of this ancient landscape are a multitude of ancient rock art galleries. (B,L,D)

Day 6: Careening Bay

Careening Bay was named by Lieutenant Phillip Parker King after his ship, the HMC Mermaid, was careened there in 1820. As the crew worked hard to re-float the vessel, the ship's carpenter carved the name of the vessel and the year into a boob tree. The boob tree is now three metres wide and National Heritage listed. (B,L,D)

Day 7: Hunter River

Arguably one of the most scenic parts of the Kimberley coast, Prince Frederick Harbour and the Hunter River are lined with pockets of ancient rainforest, pristine mangroves, and mosaic sandstone cliffs. The sandstone escarpment at the river mouth, known as "Kampamantiya", rises over 200 metres high before giving way to mud banks and mangrove forests. The Expedition Team will share their knowledge as you explore by Zodiac. You will also have the opportunity to reach the Mitchell Falls by helicopter (additional cost) from Naturalist Island Beach. (B,L,D)

Day 8: Swift Bay

The Bonaparte Archipelago consists of a rugged maze of islands stretching almost 150 kilometres along the coast. The bay is composed of fractured sandstone, providing an abundance of rock shelters. On the walls

Sauna & Spa, onboard PONANT's Le Jacques Cartier

Vansittart Bay, WA

of these shelters are examples of Wandjina and Gwion Gwion style rock art. Join your Expedition Team for a guided walk to these rock art galleries. (B,L,D)

Day 9: Vansittart Bay

Jar Island contains ancient rock art galleries depicting the Gwion Gwion style unique to the Kimberley region. Gwion Gwion art may extend to over 30,000 years before our time and represents the first wave of seagoing colonisers of the Australian continent. These are the oldest detailed depictions of human figures in the world. Join your Expedition Team ashore for a walk to the site of the Gwion Gwion art galleries. (B,L,D)

Day 10: King George River

The journey up the King George River is breathtaking. The 80-metre-high sides of the gorge display varying degrees of weathering of the Warton sandstone, with the colours and textures changing with the light. The King George twin falls are the highest single-drop falls in the Kimberley. Your Expedition Team will escort you to the foot of the falls and explain the geological formations of the canyon. (B,L,D)

Day 11: Le Jacques Cartier or Le Soleal at sea

Enjoy a day at sea and take advantage of the on-board facilities. Your Expedition Team will provide an enrichment programme, focusing on Australian history, flora, and fauna. Lovers of the open sea can visit the ship's upper deck and perhaps be lucky enough to spot marine species. (B,L,D)

Day 12: Darwin

Early this morning, you will dock in Darwin, where you will disembark and transfer to your hotel. The day is yours to enjoy. Discover the town's history through its emblematic buildings, such as the new Parliament House opened in 1994, a magnificent example of tropical architecture, or Admiralty House, a home on stilts that has survived two cyclones and numerous air raids. (B)

Days 13–16: The Ghan Expedition, Darwin to Adelaide

10 nights, Coral Adventurer

Day 5–13: Coral Adventurer, King George River, Falls (Oomari Falls)

Please note: The order of expeditionary experiences may vary.

Fed by the King George River, 80m tall King George Falls are the highest twin falls in Western Australia. Before feeling the spray rising from the base of the falls, cruise through gorges carved through the landscape 400 million years ago. Early in the waterfall season, you may cruise around the base of King George Falls, while in later months, view the honeycomb erosion patterns of sandstone cliffs up close. (B,L,D)

Coral Adventurer, Vansittart Bay (Banjal)

Vansittart Bay is home to many culturally significant sites, like the Gwion Gwion (Bradshaw) Aboriginal rock art galleries, estimated to be up to 20,000 years old, and Jar Island, named after pot shards found here. Nearby, on the Anjo Peninsula, lies the wreckage of a US Airforce C-53 Skytrooper aircraft, the pilot losing his bearings flying from Perth to Broome in 1942. (B,L,D)

Coral Adventurer, Mitchell Falls, Winyalkan, Swift Bay

Tumbling down the Mitchell Plateau in a series of tiered waterfalls, the Mitchell Falls are the photogenic poster child for the Mitchell River National Park. Take a scenic helicopter flight (additional cost) to the falls, where ancient rock art galleries are concealed in caves behind curtains of water. Alternatively, explore the sandstone caves of Wollaston Bay or Wollaston Creek. This mass of weathered tunnels, arches and columns was once an Aboriginal midden. Another option is a visit to a series of Wandjina and Gwion Gwion rock art galleries at Swift Bay. In the evening, watch the sun set while indulging in a gourmet BBQ dinner. (B,L,D)

Coral Adventurer, Prince Frederick Harbour, Bigge Island (Wuuyuru)

Prince Frederick Harbour is dotted with islands lined with mangroves and monsoon rainforests. Birds of prey are often seen here, and at low tide, mudflats reveal large populations of mudskippers and mangrove crabs, and the Xplorer tender vessels take guests on a cruise up Porosus Creek to view some striking rock formations. (B,L,D)

King George River, WA

Coral Adventurer, Prince Regent River, Careening Bay (Wunbung-Gu)

King Cascade is a broad waterfall around 50m across that tumbles down a staggered terrace of Kimberley sandstone. You will reach King Cascade after cruising in the Xplorer tender vessels down the Prince Regent River. Lt. Phillip Parker King named nearby Careening Bay after he beached his leaking vessel, HMC Mermaid, to effect repairs. While stranded, the ship's carpenter carved HMC Mermaid 1820 into the trunk of a boab tree. 200 years later, the Mermaid Boab Tree is listed on the National Register of Big Trees and the carpenter's inscription stands almost as tall as a person. (B,L,D)

Coral Adventurer, Montgomery Reef (Yowjab)

Montgomery Reef is a biologically diverse area covering over 300 sq km. Twice daily, as the sea recedes and Montgomery Reef rises from the Indian Ocean in a cascade of rushing water. You will approach the emerging reef in Coral Expedition's Xplorer and Zodiac inflatable tenders, while their Expedition Team shares information about the formation and wildlife of the reef. (B,L,D)

Coral Adventurer, Doubtful Bay, Raft Point (Ngumbree)

Raft Point guards the entrance to Doubtful Bay, which harbours sites such as the ancient Wandjina rock art galleries. You will visit the galleries when Traditional Owners are available to guide us. Red Cone Creek flows downstream until it meets the small but impressive Ruby Falls. The creek winds

through rock formations stacked atop each other like building blocks. These rock walls are great for clambering over to reach freshwater swimming holes and waterfalls. There are several other sites to see in Doubtful Bay, including Steep Island. (B,L,D)

Coral Adventurer, Horizontal Falls (Garaanngaddim), Buccaneer Archipelago

The Horizontal Falls are one of the Kimberley's biggest attractions. This natural phenomenon is created as the ocean thunders through a narrow gorge in the McLarty Ranges. Experiencing the falls on the Zodiac inflatable tenders is one of the highlights of Kimberley expedition cruises. Talbot Bay is at the heart of the Buccaneer Archipelago. At Cyclone Creek, you will see evidence of massive geological forces in the impressive formations and cruise through the Iron Islands before enjoying sunset drinks at Nares Point. (B,L,D)

Coral Adventurer, Lacepede Islands

The Lacepede Islands are a protected class-A nature reserve and are significant as a seabird nesting rookery. The four low-lying islands are also an important breeding habitat for green turtles. If conditions are suitable, you will explore the lagoons by Xplorer and Zodiac tender vessels. As your incredible Kimberley adventures draw to a close, enjoy the Captain's Farewell Drinks. (B,L,D)

Day 14: Coral Adventurer, Broome, Farewell

Your adventure along the Kimberley Coast concludes this morning. Bid farewell as Coral Adventurer docks in the Port of Broome. (B)

ACCESSIBLE TRAIN TRAVEL

Accessibility

Exploring Australia by train is an incredible experience, and Journey Beyond is committed to providing train experiences that are accessible for guests. The level of accessibility varies at each of our rail terminals, on board our trains, and on our Off Train Experiences. Our goal is to provide a safe, enjoyable experience to our guests and to support those requiring assistance throughout their journey.

Gold Access - By Evening

Gold Access Cabin

Gold Access Cabins are designed for guests who require mobility assistance, including wheelchairs and walking frames. This cabin has two single seats by day, with a mobile, height-adjustable table, converting to two single beds in the evening. The cabin also has a private accessible bathroom, fitted with handrails, a flexible hand shower and shower chair.

How to Book the Gold Access Cabin

The Gold Access Cabin is subject to availability and assessment of the guest's Fitness to Travel form. Prior to booking, a form must be completed for us to determine suitability to travel. Each departure has limited Access Cabin availability. To secure or enquire about this cabin, please contact us via phone or email.

Wheelchairs and Mobility Aids

Our trains are built to a unique configuration to travel across Australia. The doorways, corridors, and areas between train carriages for carriage-to-carriage access do not fit standard sized push or motorised wheelchairs. We have a pushchair on board that is specifically designed to navigate these areas, but a carer must be available to assist with use.

Gold Access - En Suite

Off Train Experiences

Our Off Train Experiences highlight incredible parts of Australia, allowing you to feel a sense of place wherever you may be. On each stop, there are several Off Train Experiences on offer to suit different types of travellers, including low-mobility options suitable for guests with access requirements.

Alice Springs, NT

Journey Beyond is committed to offering a safe and accessible experience on board all our trains. If you need additional assistance for your upcoming journey or have any questions around accessibility, please inform us when making your reservation or contact our Travel Centre on **1800 019 642**, or email **sales.enquiries@journeybeyond.com** for more information.

Journey Lightly is a promise. It is a guiding principle that reminds us that we are more than a travel company. PEOPLE

Connecting with communities and culture

We seek to go beyond traditional corporate engagement by supporting and uplifting the communities connected to the areas in which we operate. We foster a sense of shared direction through a deeper understanding of culture and respectful community engagement.

PLACE

Protecting our habitats and wildlife

We strive to protect the essence of what makes a place special. Through responsible tourism practices, stakeholder partnerships, conservation initiatives and wildlife protection, we strike a balance between exploration and preservation.

PLANET

Reducing our environmental footprint

We aim to continuously explore ways to reduce our impact on the environment, through more sustainable practices across our operations. From lowering our outputs, to better conserving resources and managing waste responsibly, our initiatives help further safeguard our shared home – planet Earth.

ALICE SPRINGS *Telegraph Station*

A walk through history

Telegraph Station, Alice Springs, NT

The Alice Springs Telegraph Station Historical Reserve marks the original site of the first European settlement in Alice Springs.

Established in 1871 to relay messages between Darwin and Adelaide along the Overland Telegraph Line which connected Australia's population centres with the north of the country and Britain using the undersea telegraph network. Before the telegraph line was built, a message to England would have to travel by boat, taking 3-4 months each way. After the telegraph line was built, morse code messages could reach London in as little as 5 hours – slow by today's standards, but revolutionary for people of the 19th century.

The Historic Museum

Join a guided tour through the heritage museum and precinct to immerse yourself in the history of the Telegraph Station, the origins of Alice Springs as a town and the Stolen Generation of the Bungalow era of the 1930s. Travel back in time, and explore the inner workings of the original Telegraph Station and Post Office, as well as experience a working display of Meidinger batteries – replicas of those that powered the Overland Telegraph Line back in the 1870s – unique to the southern hemisphere.

The Trail Station Café

The Trail Station Cafe is nestled along the vibrant Alice Springs Trail, next to the historic Alice Springs Telegraph Station. Whether you're planning a picnic on the grassy lawns, walking one of the marked trails or tackling the terrain on bike – the Trail Station Café is the ideal stop for adventurers and explorers alike. Offering all your on the go needs with freshly brewed coffee, toasted croissants, gourmet sandwiches, ice-creams and a tempting selection of cakes to choose from.

During travel

You acknowledge that the itinerary, modes of transport, accommodation and/or the Journey’s inclusions (including Off Train Experiences) may need to change during your trip due to local circumstances beyond our reasonable control, including but not limited to road or rail track conditions, poor weather, changes in transport schedules, cultural considerations and/or vehicle or train breakdowns.

If: (a) in our reasonable opinion we (either directly or through our employees, contractors, suppliers or agents) determine that your Journey cannot safely, lawfully or reasonably proceed due to a Force Majeure

event; or (b) you give us notice no more than 14 days prior to commencement of your Journey that you cannot reasonably participate in it due to Government Restrictions, then we may:

- reschedule your Journey, but only if you are agreeable to the rescheduled arrangements; or
- cancel your Journey, in which case our contract with you will terminate.

If we cancel your Journey, neither of us will have any claim for damages against the other. However, we will issue you with a Credit Note equal to the Journey Price received by us. Please note that our ability to issue you with a Credit Note may be dependent on our suppliers issuing corresponding credits to us. We cannot guarantee that our suppliers will issue corresponding credits. In such circumstances we may instead pay you a cash refund of the Journey Price received by us less: (a) unrecoverable third-party costs and other expenses that remain payable by us for your Journey Services; (b) overhead charges incurred by us relative to the Journey Price; and (c) fair compensation for work undertaken by us in relation to the Journey until the time of cancellation.

For the avoidance of doubt and without limitation, an illness, the development of a medical condition or the failure of any commercial transportation not included in your Journey is not considered a Force Majeure event.

During Journey

If we cancel Journey Services (including if there is a Service Disruption) due to Force Majeure during your Journey, we will provide you at your election with either a refund of recovered third party costs plus any third party costs we don’t incur for the cancelled Journey Services or a Credit Note of the same value.

General

If we provide you with any alternative services or assistance where Journey Services are cancelled due to Force Majeure which you accept, then you agree that any

amount to be refunded to you will be reduced by the value of these services and that assistance.

To the fullest extent permitted by law, our liability to you for cancellations due to Force Majeure is limited to your rights under this clause.

8. PRIOR TO YOUR JOURNEY

Cabin Allocations

We will endeavour to allocate your cabin (or seat on The Overland) according to the Cabin Class you booked. In the unlikely event we cannot accommodate your Cabin Class we may upgrade or downgrade your Cabin Class. If we downgrade your Cabin Class during your Journey, we will pay you a refund of the fare difference for the period of the downgrade. If we downgrade your Cabin Class prior to your Journey, we will give you notice and you may elect to (a) accept the downgraded Cabin Class with a refund of the fare difference; or (b) cancel your booking and you may elect to receive a refund of all funds paid or an alternative Journey of comparable quality if appropriate.

We will endeavour to accommodate requests for a particular cabin (or seat on The Overland) within your Cabin Class, subject to availability. If we are unable to accommodate that request (but we still allocate you a cabin or seat within your Cabin Class) and you choose to cancel your booking, this will be considered a cancellation by you and standard cancellation fees will apply.

Off Train Experience Preferences

You will be asked to nominate your preferred Off Train Experiences. We will endeavour to accommodate your preferences, but please note that due to capacity restraints for Off Train Experiences, we cannot guarantee that you will be allocated your first preferences. If we cannot allocate your first preferences, then you will be allocated alternative Off Train Experiences and no refund will be provided in these circumstances.

Travel Insurance

It is strongly encouraged that you are adequately insured for the duration of your Journey. We recommend comprehensive travel insurance to cover cancellation, medical requirements, medical evacuation, luggage and additional expenses. The choice of insurer is yours. We strongly suggest you purchase insurance at the time you pay your Deposit. This is because cancellation fees may be payable from that time.

Passports, Visas & Vaccinations

If you are not an Australian citizen it is your responsibility to ensure you hold a valid passport with sufficient validity and any required visas for your Journey. It is your responsibility to obtain vaccinations and preventative medicines as may be required for the duration of the trip. For Rail Cruise Holiday bookings, please refer to the Rail Cruise Holiday Specific Conditions for additional requirements.

Health & Fitness

It is your responsibility to ensure that you have a suitable level of health and fitness to undertake the Journey. For all Rail Journeys (other than The Overland, where we will make requests only in particular circumstances), you must complete our Fitness to Travel Form accessible here (<https://www.journeybeyondrail.com.au/terms-conditions/>) within a reasonable time after we issue your Booking Confirmation and in any event prior to travel. We may cancel your booking or refuse to board you without any right of refund if you fail to complete the Fitness to Travel Form within a reasonable time after we have reminded you to do so.

Some Off Train Experiences occur in locations with extreme temperatures (heat), or require walking on uneven, rocky ground that may be slippery or involve steep inclines. You are required to have a reasonable level of mobility and to be able to board and alight the train using steps and other vehicles unaided by our personnel.

Due to the architecture of our rail carriages, mobility aids such as wheelchairs and walkers are unable to be used onboard. We can on request provide you with a specialised onboard pushchair which can be pushed by your travelling companion (with the exception of Vintage Rail Rail Journeys, for which the rail carriage architecture does not enable pushchairs).

Our personnel will be pleased to provide general assistance throughout your Rail Journey, however our personnel are unable to meet the needs of guests requiring regular medical attention, personal care or special assistance, and are not able to act as carers. If you require regular medical attention, personal care or special assistance, you must be accompanied by a person who is able to provide such assistance.

Existing Medical Conditions

If you have a medical condition which may reasonably be expected to increase your risk of needing medical attention or special assistance, or which may materially affect the usual conduct of the Journey, then you must advise us prior to or at the time you make your Booking.

We may request you to provide an assessment of your medical condition from a qualified medical practitioner. If the assessment indicates that you are not fit to travel or

will require special assistance which we cannot reasonably provide, then we may cancel your booking. Provided you notified us of your medical condition prior to or at the time you made your Booking, we will provide you with a full refund of payments received.

If you fail to provide a medical assessment within a reasonable time of our request, then this will be considered a cancellation by you and cancellation fees will apply.

New Medical Conditions

You must advise us of any new or changed medical conditions which may reasonably be expected to increase your risk of needing medical attention or special assistance, or which may materially affect the usual conduct of the Journey.

We may request you to provide an assessment of your medical condition from a qualified medical practitioner. If the assessment indicates that you are not fit to travel or will require special assistance which we cannot reasonably provide, or if you fail to provide a medical assessment within a reasonable time of our request, then this will be considered a cancellation by you and cancellation fees will apply.

General

If you have any illness, injury, disease or other medical condition which makes travel unsafe for you, other guests or our employees, we may refuse to confirm your Booking or board you, and we may remove you from the train or Journey, without any liability on our part and without an obligation to provide you with a refund.

If you are suffering from or showing symptoms of or have had known exposure to a communicable or infectious disease, the Journey Manager may in their discretion require you to isolate within your cabin or such other quarantine facility onboard. You agree to comply with such directions.

Dietary Requirements

Special dietary requests are required to be notified to us within 7 days after we issue your Booking Confirmation. We will endeavour to communicate your requirements to relevant suppliers. However, we cannot guarantee requests will be met by suppliers. It is your responsibility to check that meals and beverages do not contain any allergens. We expressly disclaim any liability for meals or beverages that contain allergens other than in circumstances where we have been negligent.

Risk Acceptances & Waivers

You acknowledge that your Journey may expose you to inherent personal risks which may be greater than those present in your everyday life. This could be due to general travel by train (for example shifting carriages), travelling through and visiting remote destinations or interactions with wildlife. You travel on the basis that you accept these inherent risks and that to the fullest extent permitted by law we will not be responsible for any personal injury or death resulting from the materialisation of an inherent risk.

You acknowledge and agree that your participation in Off Train Experiences may be subject to you agreeing to a form of risk acceptance and waiver of liability for participation in the activity. Independent Suppliers and Additional Services Principals may also require you to agree to such forms.

9. DURING YOUR JOURNEY

Check-in

You must check in with our representative at the location stated on your Final Travel Documents within the following timeframes:

- for The Ghan, Indian Pacific, Great Southern and Vintage Rail: no more than 2.5 hours and no later than 1 hour prior to the scheduled departure; and
- for The Overland, no more than one hour and no later than 30 minutes prior to the scheduled departure.

You must show suitable photo identification to the representative when checking in.

Luggage

Guests must comply with the relevant luggage requirements specified on our website and/or on your Booking Confirmation. You must not bring onboard any goods or objects of a flammable or dangerous nature or which we reasonably consider could harm or significantly detract from the enjoyment of other guest including: (i) firearms, knives, weapons or sharp objects; (ii) alcohol for consumption onboard or illegal drugs of any kind; (iii) items that may become or are dangerous, such as seal batteries, explosives, poisons (such as pesticides and herbicides); (iii) items prohibited by law; (iv) drones or (v) animals (with the exception of guide / assistance dogs).

Luggage limits are enforced. You will be required to leave any excess luggage at the point of embarkation for the duration of the Journey, which will be stored at your risk.

Searches

If we have reasonable cause to believe that you are carrying a prohibited item, an authorised representative

of us may, subject to applicable laws, search or inspect you and your luggage. We have the right to detain, confiscate or destroy without incurring any liability to you or any other person any items carried by you which we, acting reasonably, consider dangerous or which pose a risk or inconvenience to the security of the train or other persons onboard.

Smoking

All Journey Beyond trains are entirely smoke free in accordance with relevant state government regulations. You must not smoke (including e-cigarettes) on the train.

Alcohol & Illicit Drugs

Our trains are licensed premises. You are not permitted to bring onboard any containers of alcohol for consumption onboard or any illicit drugs (other than as may be prescribed by a prescribing physician). We may refuse the service of alcohol to you and may disembark you from the train or remove you from the Journey if you are intoxicated or acquire alcohol for a minor. You must not under any circumstances use any illicit drugs (other than as may be prescribed by a prescribing physician). We may disembark you or remove you from the Journey if you become under the influence of illicit drugs at any time whilst onboard.

Remote Areas

You acknowledge that some Rail Journeys visit and include overnight accommodation in remote areas which are located considerable distances from hospitals, medical centres or other forms of medical facilities. It may take many hours before you receive any professional medical attention.

You acknowledge that there may be occasions where you require first aid due to an accident, illness, injury or other health condition. You consent to our personnel providing you with first aid on the basis that: (a) our personnel are not qualified medical professionals; (b) we make no warranties and expressly disclaim all warranties regarding the standard of care that may be provided; and (c) to the fullest extent permitted by law we will not be liable (and neither will our personnel) for any care given or omitted. If you are unable to do so yourself, you consent to us seeking and securing any medical treatment that we reasonably consider you require. This may include attendance or evacuation by the Royal Flying Doctor Service or a similar service. You agree to reimburse us for any costs we incur in seeking medical treatment on your behalf.

Behaviour

You must follow the reasonable directions of our (and our suppliers') personnel. If you act in a manner that threatens the safety of yourself or others (including our (or our suppliers') personnel, other guests on the Journey, or third parties) or significantly disrupts their enjoyment, our representatives may, acting reasonably, prohibit you from embarking on the Journey or require that you leave the Journey. The Journey Manager may in their discretion direct you to isolate in your cabin or such other isolation facility (subject to the right to use bathroom facilities) until you are alighted from the train. You must comply with this requirement. You will not be entitled to any refund for unused Journey Services and you will be responsible for any additional costs you incur.

Seatbelts

Where a vehicle, vessel or aircraft is equipped with seatbelts, you must always wear your seatbelt when onboard. To the fullest extent permitted by law, our liability to you for any personal injury, death or other damages or claims arising from an accident or incident involving a vehicle, vessel or aircraft you are travelling on as part of the Journey will be limited or excluded to the extent your failure to wear a supplied seatbelt contributed to or caused your injury or death.

10. UNUSED & DENIED SERVICES

No refunds will be made for of any Journey Services not utilised, whether by choice or because of late arrival or early departure. This includes the failure of commercial transport to operate according to schedule, which we disclaim responsibility for. This does not apply if the reason for your late arrival or early departure was due to our negligence.

11. RESPONSIBILITY

Our Journeys

Journey Services supplied by us

To the extent only that we are the principal supplier to you of Journey Services which we directly control, operate or own then we will provide those Journey Services with reasonable skill and care.

We will only be responsible for our employees in the course of their employment, and for our agents and contractors (where we have direct control over them) if they were carrying out the work we had asked them to do.

We will not be responsible for any loss, damage, claim or expense caused by the acts or omissions of yourself, of any other third party not connected with the provision of the Journey Services, or due to an event of Force Majeure.

Services supplied by Independent Suppliers

Where an Independent Supplier is the supplier of Journey Services, you acknowledge that our obligations to you are limited to taking reasonable care to select a reputable Independent Supplier and arranging for them to provide those Travel Arrangements to you. Independent Suppliers over whom we may not have direct control could include hoteliers, independent transport companies (i.e., vehicles not operated by us), excursion operators, venue operators and common carriers.

To the fullest extent permitted by law, we will not be responsible to you for any loss, damage, personal injury or delay attributable to the actions, omissions or negligence of an Independent Supplier and not caused by our negligence. Any claims you have in this regard must be made against the Independent Supplier.

Services supplied by Cruise Operators

For any Rail Cruise Holiday, we act as the booking agent for the Cruise Operator only. The services we provide you regarding the Cruise element of your Rail Cruise Holiday are limited to arranging for you to contract with the Cruise Operator for the supply of the Cruise subject to the Cruise Passage Contract. Any claims you have regarding the delivery of the Cruise or the acts, omissions or negligence of the Cruise Operator must be made directly against the Cruise Operator and will be subject to the Cruise Passage Contract.

Recreational Services

If we supply any Recreational Services to you, then to the maximum extent permitted by law we exclude any liability for death, physical injury or mental injury or any other liability referred to in section 139A(3) of the Competition and Consumer Act 2010 (Cth) resulting from our failure to comply with a guarantee that applies under Subdivision B of Division 1 of Part 3-2 of the Australian Consumer Law. This exclusion does not apply to significant personal injury caused by our reckless conduct.

Additional Services

You agree that our responsibility to you for any Additional Services is limited to arranging for you to contract with the Additional Services Principal. You agree that you will be subject to the Additional Services Principal's own booking conditions. Any claim in connection with the supply (or failure to supply) those Additional Services must be made directly against the Additional Services Principal. We will in no way be responsible for the actions, omissions or negligence of the Additional Services Principal or any person engaged by them to deliver the Additional Services.

General liability limitation

We cannot guarantee our schedule. As a result, you should allow ample time for connections. We will not be responsible for any loss or additional expenses you incur for any missed connections/services attributable to delays.

Australian Consumer Law and corresponding legislation in State and Territory jurisdictions in certain circumstances imply mandatory guarantees into consumer contracts ("Consumer Guarantees"). These Booking Conditions do not exclude or limit the application of the Consumer Guarantees other than to the extent they can be excluded or limited, in which case we limit or exclude the Consumer Guarantees to the fullest extent permitted. Other than the Consumer Guarantees, we disclaim all warranties and guarantees.

To the fullest extent permitted by law, our maximum liability to you under these Booking Conditions, in tort (including negligence) or at law is limited to arranging for the Journey Services be resupplied or payment of the cost of the Journey Price.

12. COMPLAINTS

In the event of a problem with any aspect of your Journey Services you must tell us or make our representative or our local supplier aware of such problems as soon as possible. This is so we or our suppliers have had the opportunity to put things right on the ground.

If you notify us of a problem during travel and we haven't resolved it to your satisfaction, please follow this up in writing within 30 days from the end of your Journey. This is so we have the opportunity to pursue the claim with our own suppliers (if relevant). Notification of a complaint does not guarantee any particular outcome.

If you fail to follow this procedure, this may limit your rights to make a claim.

13. REFUNDS

Any refunds payable by us under these Booking Conditions will be made as follows: (a) if you paid us directly with a credit or debit card, we will credit the same card with the refund unless you advise us that the card has expired or is no longer active; (b) if you paid us by direct bank transfer, we will pay the refund to a bank account notified by you; and (c) if you booked your Journey through a travel agent, then we will pay the refund to the travel agent.

14. DEEMED ACCEPTANCE

If you place a booking on behalf of another party, you represent and promise us that you are duly authorised to provide the agreement and consent of the other party to be bound by these Booking Conditions. You agree that you will be responsible for any loss or damage we incur but would not have incurred had this been the case.

15. IMAGE RELEASE

We and our suppliers may take photographs or make recordings of you and your activities that identify you during the Journey. We reserve the right to use any images and/or recordings for promotional and marketing purposes. You consent to this use and acknowledge you will not be entitled to any payment or other compensation. If you do not consent to the use of your image or likeness, please advise us as least 21 days prior to the commencement of your Journey.

16. GENERAL

The contract between us and you is governed by the laws of the State of South Australia, provided that if the civil liability legislation of South Australia does not apply because a cause of action arose outside South Australia, then the contract (to the extent it relates to that cause of action) shall be governed by the State or Territory in which the cause of action arose. Any disputes shall be dealt with by a court with the appropriate jurisdiction in the State or Territory of the governing law.

If any provision of these Booking Conditions is found to be unenforceable, then to the extent possible it will be severed without affecting the remaining provisions.
